

**Galilean Nights Event ID:** gn64

**Number of telescopes:** 10

**Number of organisers:** 3

**Number of attendees:** 175

**Event Report:**

Even though the star party portion of our event was cancelled due to cloudy weather, we still had a great turn out!

Our event began with a pizza party and a viewing of "400 Years of the Telescope".

We held a prize drawing and gave away five Galileoscopes.
