Event Report:

The Romanian Society for Meteors and Astronomy-SARM's Galilean Nights festival of astronomy in Targoviste contained:

1. An Orionid meteor shower observational night prologue (October 21-22), in a dark sky area, near Targoviste.

Images here: <http://www.flickr.com/photos/8313346@N03/sets/72157622692811659>

2. Press conference at SARM's headquarters, and co-operations with 5 televisions and more radio programs (including Radio Romania), on-line publications and newspapers, which this way drew the attention of the whole town and informed the whole country about the event.

6. An original and innovative web page as both a unique homage for Galileo and an album-document, including comments and images on Galilean Nights-Targoviste and poetic writings dedicated to the Great Astronomer by important astronomers and writers from 4 continents:

Galilean Poetry

<http://www.cosmopoetry.ro/astropoetryoiya/galileanpoetry.html>

Thus, SARM tried to promote astronomy during Galilean Nights-Targoviste in a complex (technical, cultural, educational, artistic, social, historical and creative) way.

A short film (90 sec) with

With the Targoviste event, SARM wants to participate in 4 Event Awards:

-Most innovative event.

-Community outreach.

-Outstanding Galilean Nights Event.

-Highest attendance of a single registered event.
